* These rates are applicable only if Medicare is not the primary coverage.

Rates are valid for the C.A.R. Kaiser Program effective 6/1/12 thru 5/31/13. Rates and benefits for the C.A.R. Kaiser program are subject to change each June 1st when the contract renews. Please visit www.RealCareCAR.com for information on eligibility and plan benefits.

Medical rates are based on the Kaiser Medical Rating Region. The region is determined by the county and in some cases the zip code in which the subscriber lives. Not all zip codes in all counties appear on the Medical Rating Region page. If your zip code does not appear on the Medical Rating Region page, contact RealCare to determine if you are eligible to enroll in a Kaiser plan.

To determine the rate, look up the subscriber's age, the plan chosen and which dependents (if any) are to be enrolled. Rates are based on the subscriber's attained age as of the requested effective date; and will change effective the first day of the month following the subscriber's birthday when the attained age moves to another age category.
