What Is Not Covered?

Like most insurance plans, this plan has exclusions. In addition, a reduction schedule may apply. Please see your benefits administrator or certificate for specific details.

For AD&D coverage only, no benefit will be paid for any loss resulting from or caused or contributed to by: physical or mental illness or infirmity or the diagnosis or treatment of such illness or infirmity; an infection, other than infection occurring in an external accidental wound; suicide or attempted suicide; intentionally self-inflicted injury; war, whether declared or undeclared; or act of war, insurrection, rebellion, or riot; committing or trying to commit a felony; the voluntary intake or use by any means of any drug, medication or sedative, unless it is taken or used as prescribed by a physician, or an "over the counter" drug, medication or sedative taken as directed; alcohol in combination with any drug, medication, or sedative; or poison, gas or fumes. **Exclusion for Intoxication:** We will not pay benefits under this section for any loss if the injured party is intoxicated at the time of the incident and is the operator of a vehicle or other device involved in the incident. Intoxicated means that the injured person's blood alcohol level met or exceeded the level that creates a legal presumption of intoxication under the laws of the jurisdiction in which the incident occurred.

AD&D coverages are provided under a group insurance policy (Policy Form GPNP99 or G2130-S) issued to your employer by MetLife. AD&D coverages under your employer's plan terminates when your employment ceases when your AD&D contributions cease, or upon termination of the group insurance policy. Should your AD&D insurance coverage terminate for reasons other than non-payment of premium, you may convert it to a MetLife individual permanent policy without providing medical evidence of insurability.

This summary provides an overview of your plan's benefits. These benefits are subject to the terms and conditions of the contract between MetLife and your employer. Specific details regarding these provisions can be found in the certificate. If you have additional questions regarding the AD&D Insurance program underwritten by MetLife, please contact your benefits administrator or MetLife. Like most group AD&D insurance policies, MetLife group policies contain exclusions, limitations, terms and conditions for keeping them in force. Please see your certificate for complete details.

1. Features may vary depending on jurisdiction.
2. Total disability or totally disabled means your inability to do your job and any other job for which you are fit by education, training or experience, due to injury or sickness. Please note that this benefit is available after you have participated in the Basic/Supplemental Term Life Plan for 1 year and it is only available to you.
3. When life expectancy is certified by a physician to be 12 months or less. The Accelerated Benefits Option is subject to state availability and regulation. The accelerated life insurance benefits offered under your certificate are intended to qualify for favorable federal tax treatment. If the accelerated benefits qualify for favorable tax treatment, the benefits will be excludable from your income and not subject to federal taxation. This information was written as a supplement to the marketing of life insurance products. Tax laws relating to accelerated benefits are complex and limitations may apply. You are advised to consult with and rely on an independent tax advisor about your own particular circumstances. Receipt of accelerated benefits may affect your eligibility, or that of your spouse or your family, for public assistance programs such as medical assistance (Medicaid), Temporary Assistance to Needy Families (TANF), Supplementary Social Security Income (SSI) and drug assistance programs. You are advised to consult with social service agencies concerning the effect that receipt of accelerated benefits will have on public assistance eligibility for you, your spouse or your family.
4. Subject to state law, and/or group policyholder direction, the Total Control Account (TCA) is provided for all Life and AD&D benefits of \$5,000 or more. The TCA is not insured by the Federal Deposit Insurance Corporation or any government agency. The assets backing TCA are maintained in MetLife's general account and are subject to MetLife's creditors. MetLife bears the investment risk of the assets backing the TCA, and expects to earn income sufficient to pay interest to TCA Accountholders and to provide a profit on the operation of the TCAs.
5. Travel Assistance services are administered by AXA Assistance USA, Inc. Certain benefits provided under the Travel Assistance program are underwritten by Certain Underwriters at Lloyd's London (not incorporated) through Lloyd's Illinois, Inc. Neither AXA Assistance USA Inc. nor the Lloyd's entities are affiliated with MetLife, and the services and benefits they provide are separate and apart from the insurance provided by MetLife.

Like most insurance policies, insurance policies offered by MetLife and its affiliates contain certain exclusions, exceptions, reductions, limitations, waiting periods and terms for keeping them in force. Please contact MetLife or your plan administrator for costs and complete details.
