## General Rating Rules

### Member Level Rating

In accordance with the Affordable Care Act guidelines, for C.A.R. members, both Kaiser and Anthem rate each covered family member based on the home zip code for the family, and the age of the covered individual. Note: For W2 employees, Anthem rates the employee and each family member based on the employer's zip code.

- Kaiser calculates rates on the age of each covered family member as of the policy renewal date (January 1<sup>st</sup>)
- Anthem Blue Cross calculates rates on the age of each covered family member as of the coverage effective date.
- Rates are re-calculated for all members on the policy renewal date, January 1<sup>st</sup>.
- When calculating rates for a family:
  - For children under 21, include a rate for only the three oldest children.
  - For children 21 and older, include a rate for each child separately.

### Maximum Eligibility Age for Dependents: Medical, Dental and Vision Plans

The maximum age for a dependent child on the medical, dental and vision plans is age 26. Please read the *Who is Eligible* section in the *General Guidelines* document included on our website for additional details or call RealCare at 1-800-939-8088.

## MetLife Dental or MetLife VSP Vision Rating & Billing

### Rates

- For C.A.R. Members or W2 employees, dental and vision rates are based on the plan selected, the member's county, and the family members covered, (e.g. Member only, Member + Spouse, Member + Child(ren), Member + Family). Rates do not vary by age.
- Rating Changes during the year
  - If a member is added or dropped during the plan year, MetLife will use the member's family status as of the effective date of the change to determine the new rate. Some changes do not change the rate. For example if a family of five drops a child from the coverage, the rate is still calculated as the member plus family.
  - If a member changes addresses to a new rating region during the plan year, rates will be re-calculated based on the new region as of the 1<sup>st</sup> of the month of the change.
  - If a member changes plans during an Open Enrollment period rates will be re-calculated based on the new plan and family status as of the renewal date, January 1<sup>st</sup>.
- Annual Renewal Date
  - The plan renews each year on January 1st. Rate changes take effect on January 1st regardless of the member's initial effective date.

### Initial Payment

All applicants are required to pay a minimum of the first month's premium with their enrollment application unless they have authorized RealCare to draft monthly automatic payments from a bank account and their application is completed in time for the automatic payment to be withdrawn for their first month of coverage. The initial premium payment may be mailed, faxed, or scanned and emailed. If a check is faxed or scanned, an additional \$5.00 fee will be applied.

### Monthly Billing Cycle – Kaiser (with or without dental/vision)

Bills are generated around the 6th of each month. Premiums are due the 25th of the month prior to the coverage month. If payment is not received within 10 days of the due date, a late fee of \$15 will be applied. If payment is not received within 30 days of the due date, coverage will be terminated effective the last day of the month through which premiums have been paid.

## Payments

Monthly payments may be made by check or Automatic Premium Payment Authorization.

### Check Payments

Checks should be made **payable to RealCare Insurance Trust Account (RITA)**

- If Mailed, send to: 430 West Napa Street, Suite F, Sonoma, CA, 95476.

If an automatic debit is dishonored, a \$25 fee will be assessed and the premium payment and applicable fees must be remitted to RITA by cashier's check or money order and received before the end of the 30-day grace period to avoid cancellation of your health care and/or insurance coverage.

If a reinstatement request is approved by the insurance carrier, coverage will be reinstated effective as of the cancellation date.
