

# Pharmacy tools on Anthem's mobile app

## Do more on the go

It's never been easier to use your pharmacy benefits — whenever, wherever

When it comes to your health care, we look for ways to give you more value, convenience and control. That's why we're so excited to feature an app that puts decision-making tools where you need them: in the palm of your hand.

## Download the Anthem Anywhere app today

## A smart app for a busy life

Using your smartphone or other mobile device, you can:

- Find an in-network pharmacy near you with *Locate a Pharmacy* or switch to home delivery.
- Compare retail prescription medication costs at individual local pharmacies with *Price a Medication*.
- Get personalized reminders to ensure you're following your doctor's treatment plan using *Pharmacy Care Alerts*.
- Track your order status or quickly refill and renew your prescriptions with *Order Status* and *Automatic Refills*.
- Get drug interactions, manage your medications and view your claims history — all in one place using *Medicine Cabinet*.
- Search detailed drug information, research potential side effects and view other important details with *Drug Information*.

## How do you get it?

To access our pharmacy tools, you need to be registered on [anthem.com/ca](http://anthem.com/ca). Then:

- Download the Anthem Anywhere app from Google Play (Android) or the Apple Store (iOS).
- Select the **Menu** button > **My Coverage** > **Prescriptions**.
- You'll be prompted to download the Express Scripts app.

Once you have both apps on your device, you'll be able to get your pharmacy information directly from the **Prescriptions** button on the Anthem Anywhere app.
