## Services

Chiropractic services are covered when a participating chiropractor finds that the services are medically necessary to treat or diagnose neuromusculoskeletal disorders. Acupuncture services are covered when a participating acupuncturist finds that the services are medically necessary to treat or diagnose neuromusculoskeletal disorders, nausea, or pain. You can obtain services from any ASH Plans participating chiropractors and acupuncturists without a referral from a Kaiser Permanente Plan physician.

**Office visits:** Covered services are limited to medically necessary chiropractic and acupuncture services authorized and provided by ASH Plans participating chiropractors and acupuncturists.

**X-rays and laboratory tests:** Medically necessary X-rays and laboratory tests are covered when prescribed as part of your chiropractic care by a participating chiropractor and provided by an appropriately licensed participating provider that has contracted with ASH Plans to provide those services.

**Emergency services:** Covered chiropractic services are those emergency services provided for the sudden and unexpected onset of an injury or condition affecting the neuromusculoskeletal system. Covered acupuncture services are those emergency services provided for the sudden and unexpected treatment of a neuromusculoskeletal disorder, nausea, or pain. These conditions and injuries must manifest themselves by acute symptoms of sufficient severity, including severe pain, such that a reasonable layperson with no special knowledge of health, medicine, chiropractic care, or acupuncture could reasonably expect that a delay of immediate chiropractic care or acupuncture could result in (1) placing your health in serious jeopardy, (2) serious impairment to your bodily functions, or (3) serious dysfunction of any bodily organ or part.

## Participating chiropractors and acupuncturists

ASH Plans contracts with participating chiropractors and other participating providers to provide covered chiropractic services, including laboratory tests, X-rays, and chiropractic appliances. ASH Plans

contracts with participating acupuncturists to provide acupuncture care (including adjunctive therapies, such as acupressure, moxibustion, or breathing techniques, when provided during the same course of treatment and in conjunction with acupuncture). You must receive covered services from an ASH Plans participating provider, except for emergency chiropractic and acupuncture services and services that aren't available from participating providers that are previously authorized by ASH Plans. The list of participating chiropractors and acupuncturists is available on the ASH Plans website at [ashlink.com/ash/kp](http://ashlink.com/ash/kp) or from the ASH Plans Member Services Department at **800-678-9133**. The list of participating chiropractors and acupuncturists is subject to change at any time without notice.

### How to obtain covered services

To obtain covered services, schedule an initial examination with an ASH Plans participating provider. If additional services are required, your participating chiropractor or acupuncturist will prepare a treatment plan. The ASH Plans Clinical Services Manager will authorize the treatment plan if the services are medically necessary. ASH Plans will disclose to you, upon request, the process that it uses to authorize a treatment plan. If you have questions or concerns, please contact the ASH Plans Member Services Department.
