Deductible waived for drugs on the Preventive ACA Drug List - \$10 for tier 1 preventive drugs and \$60 for tier 2 preventive drugs.

<sup>1</sup> Deductibles are included in the Out-of-pocket maximum amounts.

<sup>2</sup> These plans have a different member deductible amount for in-network and out-of-network depending on whether the subscriber is enrolled as self only or has enrolled dependents within the plan: for example, in-network deductible is \$2,000/member for self-only coverage; \$2,800/member and \$4,000/family for family coverage. These plans comply with both AB1305 and IRS minimum deductible and out-of-pocket maximum requirements for embedded high-deductible health plans.

This plan grid offers a high level summary of the plan. Please refer to the [Summary of Benefits](#) (SOB) or [Summaries of Benefits & Coverage](#) (SBC) for complete plan details.

All product offerings are subject to regulatory review and approval and are subject to change.

For plans with a plan or pharmacy deductible, the cost share applies after deductible for the tiers listed. For plans with a separate pharmacy deductible, the deductible is combined for retail and home delivery.
