<sup>1</sup>Groups selecting the Gold HRA HMO 2250/35 Deductible HMO with HRA plan must establish and fund an HRA for each enrolled employee. The allowable funding range is \$100 to \$400 per employee. If the group covers dependents, the allowable funding range per family is \$200 to \$800.

<sup>2</sup>This plan has an embedded deductible and out-of-pocket maximum. Each family member will begin paying copays or coinsurance after meeting his or her individual deductible or out-of-pocket maximum (depending on the benefit), or when the family deductible or out-of-pocket maximum is satisfied. Individual family members aren't subject to cost sharing when they reach their individual out-of-pocket maximum, or when the family out-of-pocket maximum is met.

<sup>3</sup>Out-of-pocket maximum is the maximum amount an individual or family will pay for certain services in a year.

<sup>4</sup>Preventive lab tests, X-rays, and immunizations are covered as part of the preventive exam.

<sup>5</sup>Scheduled prenatal visits and the first postpartum visit.

<sup>6</sup>Well-child visits through age 23 months.

<sup>7</sup>Infertility benefits can be added to this plan for an additional cost. For more information, contact your broker or Kaiser Permanente representative.

<sup>8</sup>Prescription drugs are covered in accordance with our formulary when prescribed by a Plan physician and obtained at Plan pharmacies. A few drugs have different copays. For information on our formulary, including the drugs on the specialty tier, go to **kp.org/formulary** or call our Member Service Contact Center.

<sup>9</sup>Both base and supplemental DME are covered. Supplemental DME is limited to a combined maximum benefit of \$2,000 per year for services (after plan deductible). Refer to the Evidence of Coverage for information on what's included in your DME benefit.

<sup>10</sup>Under age 19. 1 pair of eyeglasses from a limited selection.

<sup>11</sup>Kaiser Permanente members are entitled to a discount on eyeglasses and contact lenses purchased at Kaiser Permanente optical centers. These discounts won't be combined with any other Health Plan vision benefit. The discounts won't apply to any sale, promotion, or packaged eyewear program; for any contact lens extended purchase agreement; or to low-vision aids or devices. Visit **kp2020.org** for Kaiser Permanente optical locations.
