## **DENTAL INSURANCE: PROCEDURES FOR DENTAL CLAIMS**

If You reside in Texas, note the following Procedures for Dental Claims will be followed:

### **Procedures for Presenting Claims for Dental Insurance Benefits**

All claim forms needed to file for Dental Insurance benefits under the group insurance program can be obtained from the Employer who can also answer questions about the insurance benefits and to assist You or, if applicable, Your beneficiary in filing claims. Dental claim forms can also be downloaded from [www.metlife.com/dental](http://www.metlife.com/dental). The instructions on the claim form should be followed carefully. This will expedite the processing of the claim. Be sure all questions are answered fully.

### **Routine Questions on Dental Insurance Claims**

If there is any question about a claim payment, an explanation may be requested from MetLife by dialing 1-800-275-4638.

### **Claim Submission**

For claims for Dental Insurance benefits, the claimant must complete the appropriate claim form and submit the required proof as described in the FILING A CLAIM section of the certificate.

Claim forms must be submitted in accordance with the instructions on the claim form.

### **Initial Determination**

After You submit a claim for Dental Insurance benefits to MetLife, MetLife will notify You acknowledging receipt of Your claim, commence with any investigation, and request any additional information within 15 days of receipt of Your claim.

MetLife will notify You in writing of the acceptance or rejection of Your claim within 15 business days of receipt of all information needed to process Your claim.

If MetLife cannot accept or reject Your claim within 15 business days after receipt of all information, MetLife will notify You within 15 business days stating the reason why we require an extension. If an extension is requested, We will notify You of our decision to approve or deny Your claim within 45 days. Upon notification of approval, Your claim will be paid within 5 business days.

If MetLife denies Your claim in whole or in part, the notification of the claims decision will state the reason why Your claim was denied and reference the specific Plan provision(s) on which the denial is based. If the claim is denied because MetLife did not receive sufficient information, the claims decision will describe the additional information needed and explain why such information is needed. Further, if an internal rule, protocol, guideline or other criterion was relied upon in making the denial, the claims decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge.

### **Appealing the Initial Determination**

If MetLife denies Your claim, You may take two appeals of the initial determination. Upon Your written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim. You must submit Your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife's decision. Appeals must be in writing and must include at least the following information:

- Name of Employee
- Name of the Plan
- Reference to the initial decision
- Whether the appeal is the first or second appeal of the initial determination
- An explanation why You are appealing the initial determination.

## **NOTICE FOR RESIDENTS OF TEXAS**

As part of each appeal, You may submit any written comments, documents, records, or other information relating to Your claim.

After MetLife receives Your written request appealing the initial determination or determination on the first appeal, MetLife will conduct a full and fair review of Your claim. Deference will not be given to initial denials, and MetLife's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that You submit relating to Your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review Your appeal will not be the same person as the person who made the initial decision to deny Your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny Your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify You in writing of its final decision within 30 days after MetLife's receipt of Your written request for review, except that under special circumstances MetLife may have up to an additional 30 days to provide written notification of the final decision. If such an extension is required, MetLife will notify You prior to the expiration of the initial 30 day period, state the reason(s) why such an extension is needed, and state when it will make its determination.

If MetLife denies the claim on appeal, MetLife will send You a final written decision that states the reason(s) why the claim You appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criterion was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge. Upon written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim.

The exclusion of services which are primarily cosmetic will not apply to the treatment or correction of a congenital defect of a newborn child.

## **NOTICE FOR RESIDENTS OF ALASKA**

### **Reasonable and Customary Charges**

Reasonable and Customary Charges for Out-of-Network services will not be based less than an 80<sup>th</sup> percentile of the dental charges.

### **Reasonable Access to an In-Network Dentist**

If You do not have an In-Network Dentist within 50 miles of Your legal residence, We will reimburse You for the cost of Covered Services and materials provided by an Out-of-Network Dentist at the same benefit level as an In-Network Dentist.

### **Coordination of Benefits or Non-Duplication of Benefits with a Secondary Plan:**

If This Plan is Secondary, This Plan will determine benefits as if the services were obtained from This Plan's In-Network provider under the following circumstances:

- the Primary Plan does not provide benefits through a provider network;
- both the Primary Plan and This Plan provide benefits through provider networks but the covered person obtains services through a provider in the Primary plan's network who is not in This Plan's network; or
- both the Primary Plan and This Plan provide benefits through provider networks but the covered person obtains services from a provider that is not part of the provider network of the Primary Plan or This Plan because no provider in the Primary Plan's provider network or This Plan's network is able to meet the particular health need of the covered person.

## **NOTICE FOR MASSACHUSETTS RESIDENTS (Continued)**

**The following provisions are required by Massachusetts law.**

### **Summary of Utilization Review Procedures**

MetLife reviews claims for evidence of need for certain dental procedures. These reviews are conducted by licensed dentists. If there is no evidence of need MetLife will deny benefits for a claim. MetLife also reviews claims to determine whether there exists a less costly treatment for a dental condition that is generally considered effective to treat the condition. If a less costly alternative treatment exists, MetLife will determine benefits based on the alternative treatment. If you want to determine the status of any such claim review, you can call MetLife at 1-800-275-4638.

### **Summary of Quality Assurance Programs**

MetLife performs a check on certain credentials of any dentist applying to participate in MetLife's Participating Dentist Program (PDP). If the credentials do not meet MetLife's standards, for example if a dentist does not have a valid license, the dentist will not be permitted to participate in the PDP. MetLife does not interfere with the traditional relationship between PDP dentists and their patients, or any determination between the patient and dentist as to what the appropriate dental treatment may be. MetLife dental plans also allow you to choose between any dentist, whether they participate in the PDP or not. Therefore you should choose your dentist carefully, and you are responsible to be sure that your dentist delivers quality dental care.

### **Involuntary Disenrollment Rate**

The involuntary disenrollment rate among insureds of MetLife is 0.

## NOTICE FOR RESIDENTS OF UTAH

### Notice of Protection Provided by Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
  - o \$500,000 in death benefits
  - o \$200,000 in cash surrender or withdrawal values
- Health Insurance
  - o \$500,000 in hospital, medical and surgical insurance benefits
  - o \$500,000 in long-term care insurance benefits
  - o \$500,000 in disability income insurance benefits
  - o \$500,000 in other types of health insurance benefits
- Annuities
  - o \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits.

**Note: Certain policies and contracts may not be covered or fully covered.** For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 3 IA, Chapter 28.

**Insurance companies and agents are prohibited by Utah law to use the existence of the Association or its coverage to encourage you to purchase insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between Utah law and this notice, Utah law will control.**

## DENTAL INSURANCE

If You or a Dependent incur a charge for a Covered Service, Proof of such service must be sent to Us. When We receive such Proof, We will review the claim and if We approve it, will pay the insurance in effect on the date that service was completed.

This Dental Insurance gives You access to Dentists through the MetLife Preferred Dentist Program (PDP). Dentists participating in the PDP have agreed to limit their charge for a dental service to the Maximum Allowed Charge for such service. Under the PDP, We pay benefits for Covered Services performed by either In-Network Dentists or Out-of-Network Dentists. However, You may be able to reduce Your out-of-pocket costs by using an In-Network Dentist because Out-of-Network Dentists have not entered into an agreement with Us to limit their charges. You are always free to receive services from any Dentist. You do not need any authorization from Us to choose a Dentist.

The PDP does not provide dental services. Whether or not benefits are available for a particular service, does not mean You should or should not receive the service. You and Your Dentist have the right and are responsible at all times for choosing the course of treatment and services to be performed. After services have been performed, the extent to which benefits, if any, are payable will be determined as set forth in this certificate.

When requesting a Covered Service from an In-Network Dentist, We recommend that You:

- identify Yourself as an insured in the Preferred Dentist Program; and
- confirm that the Dentist is currently an In-Network Dentist at the time that the Covered Service is performed.

The amount of the benefit will not be affected by whether or not You identify Yourself as a member in the Preferred Dentist Program.

You can obtain a customized listing of MetLife's In-Network Dentists either by calling 1-800-275-4638 or by visiting Our website at [www.metlife.com/dental](http://www.metlife.com/dental).

## BENEFIT AMOUNTS

We will pay benefits in an amount equal to the Covered Percentage for charges incurred by You or a Dependent for a Covered Service as shown in the SCHEDULE OF BENEFITS, subject to the conditions set forth in this certificate.

### In-Network

If a Covered Service is performed by an In-Network Dentist, We will base the benefit on the Covered Percentage of the Maximum Allowed Charge.

If an In-Network Dentist performs a Covered Service, You will be responsible for paying:

- the Deductible; and
- any other part of the Maximum Allowed Charge for which We do not pay benefits.

### Out-of-Network

If a Covered Service is performed by an Out-of-Network Dentist, We will base the benefit on the Covered Percentage of the Maximum Allowed Charge.

Out-of-Network Dentists may charge You more than the Maximum Allowed Charge. If an Out-of-Network Dentist performs a Covered Service, You will be responsible for paying:

- the Deductible;
- any other part of the Maximum Allowed Charge for which We do not pay benefits; and
- any amount in excess of the Maximum Allowed Charge charged by the Out-of-Network Dentist.

## DENTAL INSURANCE (CONTINUED)

### Maximum Benefit Amounts

The Schedule of Benefits sets forth Maximum Benefit Amounts We will pay for Covered Services received In-Network and Out-of-Network. We will never pay more than the greater of the In-Network Maximum Benefit Amount or the Out-of-Network Maximum Benefit Amount.

For example, if a Covered Service is received Out-of-Network and We pay \$300 in benefits for such service, \$300 will be applied toward both the In-Network and the Out-of-Network Maximum Benefit Amounts applicable to such service.

### Deductibles

The Deductible amounts are shown in the Schedule of Benefits.

The Yearly Individual Deductible is the amount that You and each Dependent must pay for Covered Services to which such Deductible applies each Year before We will pay benefits for such Covered Services.

We apply amounts used to satisfy Yearly Individual Deductibles to the Yearly Family Deductible. Once the Yearly Family Deductible is satisfied, no further Yearly Individual Deductibles are required to be met.

The amount We apply toward satisfaction of a Deductible for a Covered Service is the amount We use to determine benefits for such service. The Deductible Amount will be applied based on when Dental insurance claims for Covered Services are processed by Us. The Deductible Amount will be applied to Covered Services in the order that Dental Insurance claims for Covered Services are processed by Us regardless of when a Covered Service is "incurred". When several Covered Services are incurred on the same date and Dental Insurance benefits are claimed as part of the same claim, the Deductible Amount is applied based on the Covered Percentage applicable to each Covered Service. The Deductible Amount will be applied in the order of highest Covered Percentage to lowest Covered Percentage.

### Alternate Benefit

If it is determined according to generally accepted dental standards that a service, less costly than the Covered Service the Dentist performed, could have been performed to treat a dental condition, We will pay benefits based upon the less costly service if such service:

- would produce a professionally acceptable result under generally accepted dental standards; and
- would qualify as a Covered Service.

For example:

- when an amalgam filling and a composite filling are both professionally acceptable methods for filling a molar, We may base Our benefit determination upon the amalgam filling which is the less costly service;
- when a filling and an inlay are both professionally acceptable methods for treating tooth decay or breakdown, We may base Our benefit determination upon the filling which is the less costly service;
- when a filling and a crown are both professionally acceptable methods for treating tooth decay or breakdown, We may base Our benefit determination upon the filling which is the less costly service; and
- when a partial denture and fixed bridgework are both professionally acceptable methods for replacing multiple missing teeth in an arch, We may base Our benefit determination upon the partial denture which is the less costly service.

If We pay benefits based upon a less costly service in accordance with this subsection, the Dentist may charge You or Your Dependent for the difference between the service that was performed and the less costly service. This is the case even if the service is performed by an In-Network Dentist.

## DENTAL INSURANCE (CONTINUED)

Certain comprehensive dental services have multiple steps associated with them. These steps can be completed at one time or during multiple sessions. For benefit purposes under this certificate, these separate steps of one service are considered to be part of the more comprehensive service. Even if the dentist submits separate bills, the total benefit payable for all related charges will be limited by the maximum benefit payable for the more comprehensive service. For example, root canal therapy includes x-rays, opening of the pulp chamber, additional x-rays, and filling of the chamber. Although these services may be performed in multiple sessions, they all constitute root canal therapy. Therefore, we will only pay benefits for the root canal therapy.

### **Pretreatment Estimate of Benefits**

If a planned dental service is expected to cost more than \$300, You have the option of requesting a pretreatment estimate of benefits. The Dentist should submit a claim detailing the services to be performed and the amount to be charged. After We receive this information, We will provide You with an estimate of the Dental Insurance benefits available for the service. The estimate is not a guarantee of the amount We will pay. Under the Alternate Benefit provision, benefits may be based on the cost of a service other than the service that You choose. You are required to submit Proof on or after the date the dental service is completed in order for Us to pay a benefit for such service.

The pretreatment estimate of benefits is only an estimate of benefits available for proposed dental services. You are not required to obtain a pretreatment estimate of benefits. As always, You or Your Dependent and the Dentist are responsible for choosing the services to be performed.

### **Benefits We Will Pay After Insurance Ends**

We will pay benefits for a 31 day period after Your Insurance ends for the completion of installation of a prosthetic device if:

- the Dentist prepared the abutment teeth or made impressions before Your Insurance ends; and
- the device is installed within 31 days after the date the Insurance ends.

We will pay benefits for a 31 day period after Your Insurance ends for the completion of installation of a Cast Restoration if:

- the Dentist prepared the tooth for the Cast Restoration before Your Insurance ends; and
- the Cast Restoration is installed within 31 days after the date the Insurance ends.

We will pay benefits for a 31 day period after Your Insurance ends for completion of root canal therapy if:

- the Dentist opened into the pulp chamber before Your Insurance ends; and
- the treatment is finished within 31 days after the date the Insurance ends.

## DENTAL INSURANCE: COORDINATION OF BENEFITS

When You or a Dependent incur charges for Covered Services, there may be other Plans, as defined below, that also provide benefits for those same charges. In that case, We may reduce what We pay based on what the other Plans pay. This Coordination of Benefits section explains how and when We do this.

### DEFINITIONS

In this section, the terms set forth below have the following meanings:

**Allowable Expense** means a necessary dental expense for which both of the following are true:

- a Covered Person must pay it, and
- it is at least partly covered by one or more of the Plans that provide benefits to the Covered Person.

If a Plan provides fixed benefits for specified events or conditions (instead of benefits based on expenses incurred) such benefits are Allowable Expenses.

If a Plan provides benefits in the form of services, We treat the reasonable cash value of each service performed as both an Allowable Expense and a benefit paid by that Plan.

**Claim Determination Period** means a period that starts on any January 1 and ends on the next December 31. A Claim Determination Period for any covered person will not include periods of time during which that person is not covered under This Plan.

**Custodial Parent** means a Parent awarded custody, other than joint custody, by a court decree. In the absence of a court decree, it means the Parent with whom the child resides more than half of the Year without regard to any temporary visitation.

**HMO** means a Health Maintenance Organization or Dental Health Maintenance Organization.

**Parent** means a person who covers a child as a dependent under a Plan.

**Plan** means any of the following if it provides benefits or services for an Allowable Expense:

- a group insurance plan;
- an HMO;
- a blanket plan;
- uninsured arrangements of group or group type coverage;
- a group practice plan;
- a group service plan;
- a group prepayment plan;
- any other plan that covers people as a group; and
- any other coverage required or provided by any law or any governmental program.

## DENTAL INSURANCE: COORDINATION OF BENEFITS (CONTINUED)

The term does not include any of the following:

- automobile insurance;
- individual or family insurance or subscriber contracts;
- individual or family coverage through closed panel Plans or other prepayment, group practice or individual practice Plans;
- hospital indemnity coverage;
- a school blanket plan that only provides accident-type coverage on a 24 hour basis, or a "to and from school basis," to students in a grammar school, high school or college;
- disability income protection coverage;
- accident only coverage;
- specified disease or specified accident coverage;
- nursing home or long term care coverage; or
- any government program or coverage if, by state or Federal law, its benefits are excess to those of any private insurance plan or other non-government plan.

The provisions of This Plan which limit benefits based on benefits or services provided under plans which the employer (or an affiliate) contributes to or sponsors will not be affected by these Coordination of Benefits provisions.

Each policy, contract or other arrangement for benefits is a separate Plan. If part of a Plan reserves the right to reduce what it pays based on benefits or services provided by other Plans, that part will be treated separately from any parts which do not.

**This Plan** means the dental benefits described in this certificate, except for any provisions in this certificate that limit insurance based on benefits for services provided under government plans, or plans which the employer (or an affiliate) contributes to or sponsors.

**Primary Plan** means a Plan that pays its benefits first under the "Rules to Decide Which Plan Is Primary" section. A Primary Plan pays benefits as if the Secondary Plans do not exist.

**Secondary Plan** means a Plan that is not a Primary Plan. A Secondary Plan may reduce its benefits by amounts payable by the Primary Plan. If there are more than two Plans that provide coverage, a Plan may be Primary to some plans, and Secondary to others.

### HOW COORDINATION OF BENEFITS AFFECT THE BENEFIT PAYMENTS OF PRIMARY AND SECONDARY PLANS

A Primary Plan pays benefits as if the Secondary Plans do not exist.

A Secondary Plan pays benefits for the lesser of:

1. the Allowable Expenses for Covered Dental Services minus the benefits payable for those Covered Dental Services by all Plans which are Primary Plans relative to the Secondary Plan; and
2. what it would pay if it were the Primary Plan.

Benefits payable under all other Plans include all benefits that would be payable if the proper claims had been made on time.

## DENTAL INSURANCE: COORDINATION OF BENEFITS (CONTINUED)

### RULES TO DECIDE WHICH PLAN IS PRIMARY

When more than one Plan covers the person for whom Allowable Expenses were incurred, We determine which plan is primary by applying the rules in this section.

When there is a basis for claim under This Plan and another Plan, This Plan is Secondary unless:

- the other Plan has rules coordinating its benefits with those of This Plan; and
- this Plan is primary under This Plan's rules.

The first rule below which will allow Us to determine which Plan is Primary is the rule that We will use.

**Dependent or Non-Dependent:** A Plan that covers a person other than as a dependent (for example, as an employee, member, subscriber, or retiree) is Primary and shall pay its benefits before a Plan that covers the person as a dependent; except that if the person is a Medicare beneficiary and, as a result of federal law or regulations, Medicare is:

- Secondary to the Plan covering the person as a dependent; and
- Primary to the Plan covering the person as other than a dependent (e.g., a retired employee),

then the order of benefits between the two Plans is reversed and the Plan that covers the person as a dependent is Primary.

**Child Covered Under More Than One Plan – Court Decree:** When This Plan and another Plan cover the same Child as the Dependent of two or more Parents, and the specific terms of a court decree state that one of the Parents must provide health coverage or pay for the Child's health care expenses, that Parent's Plan is Primary if the Plan has actual knowledge of those terms. This rule applies to Claim Determination Periods that start after the Plan is given notice of the court decree.

**Child Covered Under More Than One Plan – The Birthday Rule:** When This Plan and another Plan cover the same Child as the Dependent of two or more Parents, the Primary Plan is the Plan of the Parent whose birthday falls earlier in the Year if:

- the Parents are married; or
- the Parents are not separated (whether or not they have ever married); or
- a court decree awards joint custody without specifying which Parent must provide health coverage.

If both Parents have the same birthday, the Plan that covered either of the Parents longer is the Primary Plan.

However, if the other Plan does not have this rule, but instead has a rule based on the gender of the parent, and if as a result the Plans do not agree on the order of benefits, the rule in the other Plan will determine the order of benefits.

## DENTAL INSURANCE: COORDINATION OF BENEFITS (CONTINUED)

**Child Covered Under More than One Plan – Custodial Parent:** When This Plan and another Plan cover the same Child as the Dependent of two or more Parents, if the Parents are not married, or are separated (whether or not they ever married), or are divorced, the Primary Plan is:

- the Plan of the Custodial Parent; then
- the Plan of the spouse of the Custodial Parent; then
- the Plan of the non-custodial Parent; and then
- the Plan of the spouse of the non-custodial Parent.

**Active or Inactive Employee:** A Plan that covers a person as an employee who is neither laid off nor retired is Primary to a Plan that covers the person as a laid-off or retired employee (or as that person's Dependent). If the other Plan does not have this rule and, if as a result, the Plans do not agree on the order of benefits, this rule is ignored.

**Continuation Coverage:** The Plan that covers a person as an active employee, member or subscriber (or as that employee's Dependent) is Primary to a Plan that covers that person under a right of continuation pursuant to federal law (e.g., COBRA) or state law. If the Plan that covers the person has not adopted this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule shall not apply.

**Longer/Shorter Time Covered:** If none of the above rules determine which Plan is Primary, the Plan that has covered the person for the longer time shall be Primary to a Plan that has covered the person for a shorter time.

**No Rules Apply:** If none of the above rules determine which Plan is Primary, the Allowable Expenses shall be shared equally between all the Plans. In no event will This Plan pay more than it would if it were Primary.

### INFORMATION NEEDED TO APPLY COORDINATION OF BENEFITS

We need certain information to apply the Coordination of Benefits rules. For example, we may seek to obtain information related to the presence of other dental coverage applicable to the covered person, information needed to determine which plan is primary, and information regarding how much is payable in benefits under each plan. We may obtain facts from, or give them to, any other organization as necessary to apply this Coordination of Benefits provision, and We will do so in compliance with all applicable laws.

### RIGHT TO RECEIVE AND RELEASE NEEDED INFORMATION

We need certain information to apply the Coordination of Benefits rules. We have the right to decide which facts We need. We may get facts from or give them to any other organization or person. We do not need to tell, or get the consent of, any person or organization to do this. To obtain all benefits available, a covered person who incurs Allowable Expenses should file a claim under each Plan which covers the person. Each person claiming benefits under This Plan must give us any facts We need to pay the claim.

### FACILITY OF PAYMENT

A payment made under another Plan may include an amount which should have been paid under This Plan. If it does, We may pay that amount to the organization which made that payment. That amount will then be treated as though it were a benefit paid under This Plan. We will not have to pay that amount again. The term "payment made" includes benefits provided in the form of services, in which case We may pay the reasonable cash value of the benefits provided in the form of services.

## **DENTAL INSURANCE: COORDINATION OF BENEFITS (CONTINUED)**

### **RIGHT OF RECOVERY**

If the amount We pay is more than We should have paid under this Coordination of Benefits provision, We may recover the excess from one or more of:

- the person We have paid or for whom We have paid;
- insurance companies; or
- other organizations.

The amount of the payment includes the reasonable cash value of any benefits provided in the form of services.

**Time Limit on Legal Actions.** A legal action on a claim for Dental Insurance benefits may only be brought against Us during a certain period. This period begins 60 days after the date Proof is filed and ends 3 years after the date such Proof is required.

This will expedite the processing of the claim. Be sure all questions are answered fully.

## Routine Questions on Dental Insurance Claims

If there is any question about a claim payment, an explanation may be requested from MetLife by dialing 1-800-275-4638.

## Claim Submission

For claims for Dental Insurance benefits, the claimant must complete the appropriate claim form and submit the required Proof as described in the FILING A CLAIM section of the certificate.

Claim forms must be submitted in accordance with in accordance with the instructions on the claim form.

## Initial Determination

After You submit a claim for Dental Insurance benefits to MetLife, MetLife will review Your claim and notify You of its decision to approve or deny Your claim.

Such notification will be provided to You within a 30 day period from the date You submitted Your claim; except for situations requiring an extension of time of up to 15 days because of matters beyond the control of the Plan. If MetLife needs such an extension, MetLife will notify You prior to the expiration of the initial 30 day period, state the reason why the extension is needed, and state when it will make its determination. If an extension is needed because You did not provide sufficient information or filed an incomplete claim, the time from the date of MetLife's notice requesting further information and an extension until MetLife receives the requested information does not count toward the time period MetLife is allowed to notify You as to its claim decision. You will have 45 days to provide the requested information from the date You receive the notice requesting further information from MetLife.

If MetLife denies Your claim in whole or in part, the notification of the claims decision will state the reason why Your claim was denied and reference the specific Plan provision(s) on which the denial is based. If the claim is denied because MetLife did not receive sufficient information, the claims decision will describe the additional information needed and explain why such information is needed. Further, if an internal rule, protocol, guideline or other criterion was relied upon in making the denial, the claims decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge.

## Appealing the Initial Determination

If MetLife denies Your claim, You may take two appeals of the initial determination. Upon Your written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim. You must submit Your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife's decision. Appeals must be in writing and must include at least the following information:

- Name of Member
- Name of the Plan
- Reference to the initial decision
- Whether the appeal is the first or second appeal of the initial determination
- An explanation why You are appealing the initial determination.

## **DENTAL INSURANCE: PROCEDURES FOR DENTAL CLAIMS (CONTINUED)**

As part of each appeal, You may submit any written comments, documents, records, or other information relating to Your claim.

After MetLife receives Your written request appealing the initial determination or determination on the first appeal, MetLife will conduct a full and fair review of Your claim. Deference will not be given to initial denials, and MetLife's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that You submit relating to Your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review Your appeal will not be the same person as the person who made the initial decision to deny Your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny Your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify You in writing of its final decision within 30 days after MetLife's receipt of Your written request for review, except that under special circumstances MetLife may have up to an additional 30 days to provide written notification of the final decision. If such an extension is required, MetLife will notify You prior to the expiration of the initial 30 day period, state the reason(s) why such an extension is needed, and state when it will make its determination.

If MetLife denies the claim on appeal, MetLife will send You a final written decision that states the reason(s) why the claim You appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criterion was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge. Upon written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim.

#### **Recovery of Dental Insurance Overpayments**

We have the right to recover any amount that We determine to be an overpayment, whether for services received by You or Your Dependents.

An overpayment occurs if We determine that:

- payment We made should have been made by another group plan.

If such overpayment occurs, You have an obligation to reimburse Us.

#### **How We Recover Overpayments**

We may recover the overpayment from You by:

- stopping or reducing any future benefits payable for Dental Insurance;

## **GENERAL PROVISIONS (CONTINUED)**

- demanding an immediate refund of the overpayment from You; and
- taking legal action.

We may recover such overpayment in accordance with that agreement.

If the overpayment results from Our having made a payment to You that should have been made under another group plan, We may recover such overpayment from one or more of the following:

- any other insurance company;
- any other organization; or
- any person to or for whom payment was made.

Your MetLife certificate describes the eligibility requirements for insurance provided by MetLife under the Plan. It also includes a detailed description of the insurance provided by MetLife under the Plan.

**The following applies to employers with 20 or more employees that are not church or government plans:**

### NOTICE OF YOUR RIGHT AND YOUR DEPENDENTS' RIGHT TO COBRA CONTINUATION COVERAGE

COBRA is a federal law that requires most group health plans to give their employees and their dependents the opportunity to continue coverage when coverage is terminated due to certain specific events. If your employment terminates for any reason other than your gross misconduct, or if your hours worked are reduced

so that your coverage terminates, you and your covered dependents may be able to continue coverage under This Plan for a period of up to 18 months. If it is determined under the terms of the Social Security Act that You or your covered dependent is disabled within the first 60 days of COBRA coverage, you and your covered dependents may be able to continue your dental coverage under This Plan for an additional 11 months after the expiration of the 18 month period. In addition, if you should die, become divorced or legally separated, or become eligible for Medicare, your covered dependents may be able to continue coverage under This Plan for up to 36 months. Also, your covered children may be able to continue coverage under This Plan for up to 36 months after they no longer qualify as covered dependents under the terms of This Plan. Group health plans for employers with fewer than 20 employees, church plans, and plans established and maintained by the federal government are not subject to COBRA continuation requirements.

During the continuation period, a child of yours that is (1) born; (2) adopted by you; or (3) placed with you for adoption, will be treated as if the child were a covered dependent at the time coverage was lost due to an event described above.

This continuation will terminate on the earliest of:

- a. the end of the 18, 29 or 36 month continuation period, as the case may be;
- b. the date of expiration of the last period for which the required payment was made;
- c. the date, after you or your covered dependent elects to continue coverage, that you or your covered dependent first becomes covered under another group health plan as long as the new plan does not contain any exclusion or limitation with respect to your or your covered dependent's preexisting condition;
- d. the date your employer ceases to provide any group health plan for its employees.

Notice will be given when you or your covered dependent becomes entitled to continue coverage under This Plan. You or your covered dependent will then have 60 days to elect to continue coverage. If you or your covered dependent do not notify your Employer within the 60-day election period, you will lose the option to elect continuation coverage.

Each person who is eligible for COBRA coverage is entitled to make a separate election of COBRA coverage. Thus, a covered spouse (as defined by federal law) or dependent child (or parent on their behalf) is entitled to elect COBRA coverage even if the covered Employee does not make that election. However, covered Employees may elect COBRA coverage on behalf of their covered dependents. Any person who elects to continue coverage under This Plan must pay the full cost of that coverage (including both the share you now pay and the share your Employer now pays), plus any additional amounts permitted by law. Your payments for continued coverage must be made on the first day of each month in advance.

If you do not elect COBRA coverage, your dental coverage will end. However, if you initially waive COBRA continuation coverage before the end of the 60-day election period, you may change your election by sending the completed election form to the Plan Administrator and postmarking it no later than the last day of the 60-day election period.

### **If You Elect Cobra**

If you choose COBRA coverage and pay the required premiums, you are entitled to coverage which, as of the time coverage is being provided, is identical to the coverage provided by the Employer to similarly situated active Employees, spouses or dependent children. This means that if the coverage for similarly situated Employees, spouses or dependent children changes, coverage will change for those who elected COBRA coverage.

### **Duration Of Cobra Coverage**

The law requires that you be given the opportunity to maintain COBRA coverage for 36 months from the date coverage ends as a result of the qualifying event unless you lost coverage because of the covered Employee's termination of employment or reduction in hours. In that case, the required COBRA coverage period is 18 months from the date you lose coverage as a result of the termination of employment or reduction in hours. However, the 18-month coverage period may be extended under the following circumstances:

**Disability.** If any person entitled to COBRA coverage (the covered Employee, covered spouse or covered dependent child) is determined by the Social Security Administration to have been disabled at any time during the first 60 days of COBRA coverage period and the disability lasts at least until the end of the 18 month period of continuation coverage, then all such persons entitled to elect COBRA coverage may be able to continue coverage for up to 29 months, rather than 18 months.

In order to be eligible for the additional 11 months of COBRA coverage, the covered Employee, covered spouse or covered dependent child must notify the Employer's COBRA Administrator within 60 days of the **latest** of: (1) the Social Security Administration's determination of disability; (2) the date of the qualifying event; (3) the date on which the covered Employee's coverage initially was or will be lost; or (4) the date a person entitled to COBRA coverage is informed of this obligation by being provided the initial COBRA notice for the applicable group health plan. Written notice to the COBRA Administrator must be received before the end of the initial 18-month coverage period. A copy of the Social Security Administration's determination must be provided to the COBRA Administrator. **If these procedures are not followed, there will be no disability extension of COBRA.**

During the additional 11 months of coverage, your cost for that coverage will be approximately 50% higher than it was during the preceding 18 months.

The additional 11 months of coverage provided on account of a disability will end as of the earlier of:

- The first day of the month beginning more than 30 days after a final determination by the Social Security Administration that the disability no longer exists; or
- The last day of the 29th month of total coverage.

A person entitled to COBRA coverage must notify the COBRA Administrator within 30 days if the Social Security Administration determines that the disabled person is no longer disabled. This Plan reserves the right to retroactively cancel COBRA coverage, and will require reimbursement of all benefits paid for claims incurred after coverage terminates.

**Subsequent Qualifying Events.** If, during the 18-month period of COBRA coverage (or within the 29-month maximum coverage period in the case of a disability extension), the covered Employee and the spouse divorce, the covered Employee dies, the covered Employee becomes entitled to Medicare, or a dependent ceases to be an eligible dependent under the terms of This Plan, then the covered spouse and/or covered dependent child(ren) (as applicable) may be able to extend COBRA coverage for up to 36 months from the date of the termination of employment or reduction in hours.

A person entitled to COBRA coverage must notify the Employer's COBRA Administrator of the subsequent event no later than 60 days after its occurrence. If such notification is not given, the covered spouse and/or covered dependent child will not be entitled to the additional COBRA coverage.

### **Premiums For Cobra Coverage**

A person entitled to COBRA coverage is entirely responsible for paying the premiums for COBRA coverage. The required payment for each continuation coverage period for each option will be described in the notice that is sent when an individual experiences a qualifying event.

### **Initial Premium Payment**

If continuation of coverage is elected, payment for continuation coverage must be made no later than 45 days after the date of such election. (This is the date the election notice is post-marked, if mailed.) If the first payment for continuation coverage is not made in full by the 45th day after the date of election, continuation coverage under This Plan will end. A person entitled to COBRA coverage is responsible for making sure that the amount of the first payment is correct.

After the first payment for continuation coverage, the amount due for each coverage period for each qualified beneficiary will be provided when coverage is elected.

## **PLAN TERMINATION OR CHANGES**

Written notice of termination must be given to the Employer at least 31 days prior to the date such insurance will be terminated.

Premiums are due and payable on the first day of each month for which insurance coverage is to be provided. If a payment is not received within 31 days after the due date, coverage will terminate as follows:

- a. with respect to coverages other than Life Insurance and Accidental Death or Dismemberment Insurance - on the earlier of the 31st day following the due date and the date requested in writing by the Employer, provided such request is made before such 31st day; and
- b. with respect to Life Insurance and Accidental Death or Dismemberment Insurance -- on the later of the 31st day following the due date and the date MetLife's written notice of termination is received by the Employer.

The Policyholder is liable to MetLife for payment of the pro-rata premium which accrues while any coverage remains in force.

The group policy sets forth those situations in which the Policyholder and/or MetLife have the right to end the policy.

The Employer reserves the right to change or terminate the Plan at any time. Therefore, there is no guarantee that you will be eligible for the benefits described herein for the duration of your employment. Any such action will be taken only after careful consideration.

Your consent or the consent of your beneficiary is not required to terminate, modify, amend, or change the Plan.

In the event Your coverage ends in accord with the Date Your Insurance Ends provision of Your certificate, you may still be eligible to receive benefits. The circumstances under which benefits are available are described in Your MetLife certificate.

## **CONTRIBUTIONS**

You must make a contribution to the cost of Personal and Dependent Dental Insurance.

The total premium rate for insurance provided under the Plan by MetLife is set by MetLife.

## **PLAN YEAR**

The Plan's fiscal records are kept on a Plan year basis beginning each January 01 and ending on the following December 31.

## **Qualified Domestic Relations Orders/Qualified Medical Child Support Orders**

You and your beneficiaries can obtain, without charge, from the Plan Administrator a copy of any procedures governing Qualified Domestic Relations Orders (QDRO) and Qualified Medical Child Support Orders (QMCSO).

## Dental Benefits Claims

### Procedures for Presenting Claims for Dental Benefits

All claim forms needed to file for benefits under the group insurance program can be obtained from the Policyholder who can also answer questions about the insurance benefits and to assist you or, if applicable, your beneficiary in filing claims. Dental claim forms can also be downloaded from [www.metlife.com/dental](http://www.metlife.com/dental).

#### Routine Questions

If there is any question about a claim payment, an explanation may be requested from MetLife by dialing 1-800-275-4638.

#### Claim Submission

For claims for dental benefits, the claimant must complete the appropriate claim form and submit the required proof as described in the Filing a Claim section of the certificate.

Claim forms must be submitted in accordance with the instructions on the claim form.

#### Initial Determination

After you submit a claim for dental benefits to MetLife, MetLife will review your claim and notify you of its decision to approve or deny your claim.

Such notification will be provided to you within a 30 day period from the date you submitted your claim; except for situations requiring an extension of time of up to 15 days because of matters beyond the control of the Plan. If MetLife needs such an extension, MetLife will notify you prior to the expiration of the initial 30 day period, state the reason why the extension is needed, and state when it will make its determination. If an extension is needed because you did not provide sufficient information or filed an incomplete claim, the time from the date of MetLife's notice requesting further information and an extension until MetLife receives the requested information does not count toward the time period MetLife is allowed to notify you as to its claim decision. You will have 45 days to provide the requested information from the date you receive the notice requesting further information from MetLife.

If MetLife denies your claim in whole or in part, the notification of the claims decision will state the reason why your claim was denied and reference the specific Plan provision(s) on which the denial is based. If the claim is denied because MetLife did not receive sufficient information, the claims decision will describe the additional information needed and explain why such information is needed. Further, if an internal rule, protocol, guideline or other criterion was relied upon in making the denial, the claims decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that you may request a copy free of charge.

#### Appealing the Initial Determination

If MetLife denies your claim, you may take two appeals of the initial determination. Upon your written request, MetLife will provide you free of charge with copies of documents, records and other information relevant to your claim. You must submit your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife's decision. Appeals must be in writing and must include at least the following information:

- Name of Member
- Name of the Plan
- Reference to the initial decision
- Whether the appeal is the first or second appeal of the initial determination
- An explanation why you are appealing the initial determination

As part of each appeal, you may submit any written comments, documents, records, or other information relating to your claim.

After MetLife receives your written request appealing the initial determination or determination on the first appeal, MetLife will conduct a full and fair review of your claim. Deference will not be given to initial denials, and MetLife's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that you submit relating to your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review your appeal will not be the same person as the person who made the initial decision to deny your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify you in writing of its final decision within 30 days after MetLife's receipt of your written request for review, except that under special circumstances MetLife may have up to an additional 30 days to provide written notification of the final decision. If such an extension is required, MetLife will notify you prior to the expiration of the initial 30 day period, state the reason(s) why such an extension is needed, and state when it will make its determination.

If MetLife denies the claim on appeal, MetLife will send you a final written decision that states the reason(s) why the claim you appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criterion was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that you may request a copy free of charge. Upon written request, MetLife will provide you free of charge with copies of documents, records and other information relevant to your claim.

When the claim has been processed, you will be notified of the benefits paid. If any benefits have been denied, you will receive a written explanation.

### **Urgent Care Claim Submission**

A small number of claims for dental benefits may be urgent care claims. Urgent care claims for dental benefits are claims for reimbursement of dental expenses for services which a dentist familiar with the dental condition determines would subject the patient to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim. Of course any such claim may always be submitted in accordance with the normal claim procedures. However your dentist may also submit such a claim to MetLife by telephoning MetLife and informing MetLife that the claim is an Urgent Care Claim. Urgent Care Claims are processed according to the procedures set out above, however once a claim for urgent care is submitted, MetLife will notify you of the determination on the claim as soon as possible, but no later than 72 hours after the claim was filed. If you or your covered dependent does not provide the claims administrator with enough information to decide the claim, MetLife will notify you within 24 hours after it receives the claim of the further information that is needed. You will have 48 hours to provide the information. If the needed information is provided, MetLife will then notify you of the claim decision within 48 hours after MetLife received the information. If the needed information is not provided, MetLife will notify you or your covered dependent of its decision within 120 hours after the claim was received.

If your urgent care claim is denied but you receive the care, you may appeal the denial using the normal claim procedures. If your urgent care claim is denied and you do not receive the care, you can request an expedited appeal of your claim denial by phone or in writing. MetLife will provide you any necessary information to assist you in your appeal. MetLife will then notify you of its decision within 72 hours of your request in writing. However, MetLife may notify you by phone within the time frames above and then mail you a written notice.

## **Discretionary Authority of Plan Administrator and Other Plan Fiduciaries**

In carrying out their respective responsibilities under the Plan, the Plan administrator and other Plan fiduciaries shall have discretionary authority to interpret the terms of the Plan and to determine eligibility for and entitlement to Plan benefits in accordance with the terms of the Plan. Any interpretation or determination made pursuant to such discretionary authority shall be given full force and effect, unless it can be shown that the interpretation or determination was arbitrary and capricious.

### **STATEMENT OF ERISA RIGHTS**

The following statement is required by federal law and regulation.

As a participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all participants shall be entitled to:

#### **Receive Information About Your Plan and Benefits**

Examine, without charge, at the Plan administrator's office and at other specified locations, all Plan documents governing the Plan, including insurance contracts and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefit Security Administration.

Obtain, upon written request to the Plan administrator, copies of documents governing the operation of the Plan, including insurance contracts and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan administrator is required by law to furnish each participant with a copy of this summary annual report.

#### **Continue Group Dental Plan Insurance**

Continue dental insurance for yourself, spouse or dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this summary plan description and the documents governing the Plan on the rules governing your COBRA continuation coverage rights.

#### **Prudent Actions by Plan Fiduciaries**

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit Plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries.

No one, including your employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

#### **Enforce Your Rights**

If your claim for a welfare benefit is denied or ignored in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court.

In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court.

If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court.

The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees.

If you lose, the court may order you to pay these costs and fees; for example, if it finds your claim is frivolous.

### **Assistance with Your Questions**

If you have any questions about your Plan, you should contact the Plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan administrator, you should contact the nearest office of the Pension and Welfare Benefits Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Pension and Welfare Benefits Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Pension and Welfare Benefits Administration.

## **PLAN PRIVACY INFORMATION**

Notwithstanding any other Plan provision in this or other sections of the Plan, the Plan will operate in accordance with the HIPAA privacy laws and regulations as set forth in 45 CFR Parts 160 and 164, and as they may be amended ("HIPAA"), with respect to protected health information ("PHI") as that term is defined therein. The Plan Administrator and/or his or her designee retains full discretion in interpreting these rules and applying them to specific situations. All such decisions shall be given full deference unless the decision is determined to be arbitrary and capricious.

The term "Plan Sponsor" means California Association of REALTORS.

The term "Plan Administrator" means California Association of REALTORS.

### **I. Permitted Uses and Disclosures of PHI by the Plan and the Plan Sponsor**

- As required for computer programming, consulting or other work done in respect to the computer programs or systems utilized by the Plan.
- Other uses relating to plan administration, which are approved in writing by the Plan Administrator or Plan Privacy Officer.
- At the request of an individual, to assist in resolving claims the individual may have with respect to benefits under the Plan.

### **II. Uses and Disclosures of PHI by the Plan and the Plan Sponsor for Required Purposes**

The Plan and Plan Sponsor may use or disclose PHI for the following required purposes:

- Judicial and administrative proceedings, in response to lawfully executed process, such as a court order or subpoena.
- For public health and health oversight activities, and other governmental activities accompanied by lawfully executed process.
- As otherwise may be required by law.

### **III. Sharing of PHI With the Plan Sponsor**

As a condition of the Plan Sponsor receiving PHI from the Plan, the Plan Documents have been amended to incorporate the following provisions, under which the Plan Sponsor agrees to:

- Not use or further disclose PHI other than as permitted or required by the plan documents in Sections I and II above;
- Ensure that any agents to whom it provides PHI received from the Plan agree to the same restrictions and conditions that apply to the Plan Sponsor;
- Not use or disclose PHI for employment-related actions or decisions or in connection with any other benefit or employee benefit plan of the Plan Sponsor;
- Report to the Plan any use or disclosure of the information that is inconsistent with the permitted uses or disclosures of which it becomes aware;

- Make its internal practices, books and records relating to the use and disclosure of PHI received from the Plan available to the Secretary of the U.S. Department of Health and Human Services for purposes of determining compliance by the Plan with HIPAA;
- If feasible, return or destroy all PHI received from the Plan that the sponsor still maintains in any form and retain no copies of such information when no longer needed for the purpose for which disclosure was made, except that, if such return or destruction is not feasible, limit further uses and disclosures to those purposes that make the return or destruction of the information infeasible;
- Ensure that adequate separation between the Plan and Plan Sponsor is established in accordance with the following requirements:

(A) Employees to be Given Access to PHI: The following employees (or class of employees) of the Plan Sponsor are the only individuals that may access PHI provided by the Plan:

Enrollment Administration, Claims Associate, Benefit Manager

(B) Restriction to Plan Administration Functions: The access to and use of PHI by the employees of the Plan Sponsor designated above will be limited to plan administration functions that the Plan Sponsor performs for the Plan.

(C) Mechanism for Resolving issues of Noncompliance: If the Plan Administrator or Privacy Officer determines that an employee of the Plan Sponsor designated above has acted in noncompliance with the plan document provisions outlined above, then the Plan Administrator or Privacy Officer shall take or seek to have taken appropriate disciplinary action with respect to that employee, up to and including termination of employment as appropriate. The Plan Administrator or Privacy Officer shall also document the facts of the violation, actions that have been taken to discipline the offending party and the steps taken to prevent future violations.

Certify to the Plan, prior to the Plan permitting disclosure of PHI to the Plan Sponsor, that the Plan Documents have been amended to incorporate the provisions in this Section.

#### **IV. Participants Rights**

Participants and their covered dependents will have the rights set forth in the Plan's or its dental insurer's HIPAA Notice of Privacy Practices for Protected Health Information and any other rights and protections required under the HIPAA. The Notice may periodically be revised by the Plan or its dental insurer.

#### **V. Security**

As a condition of the Plan Sponsor receiving electronic PHI ("ePHI") from the Plan, the Plan Documents have been amended to incorporate the following provisions, under which the Plan Sponsor agrees to:

- Implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of the ePHI that it creates, receives, maintains, or transmits on behalf of the Plan;
- Ensure that the adequate separation between the Plan and the Plan Sponsor, which is required by the applicable section(s) of the Plan relating to the sharing of PHI with the Plan Sponsor, is supported by reasonable and appropriate security measures;
- Ensure that any agent to whom it provides ePHI agrees to implement reasonable and appropriate security measures to protect the information; and
- Report to the Plan any security incident of which it becomes aware. In this context, the term "security incident" means the attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with system operations in information systems such as hardware, software, information, data, applications, communications, and people.

#### **FUTURE OF THE PLAN**

It is hoped that This Plan will be continued indefinitely, but California Association of REALTORS reserves the right to change or terminate the Plan in the future. Any such action would be taken only after careful consideration.

We may share your personal information without your consent if permitted or required by law. For example, we may share your information with businesses hired to carry out services for us. We may also share it with our affiliated or unaffiliated business partners through joint marketing agreements. In those situations, we share your information to jointly offer you products and services or have others offer you products and services we endorse or sponsor. Before sharing your information with any affiliate or joint marketing partner for their own marketing purposes, however, we will first notify you and give you an opportunity to opt out.

Other reasons we may share your information include:

- giving your information to someone with a legal interest in your assets (for example, a creditor with a lien on your account)

- having a peer review organization evaluate your information, if you have health coverage with us
- those listed in our “Using Your Information” section above

HIPAA limits our ability to use and disclose the information that we obtain as a result of your request or purchase of insurance. Information about your rights under HIPAA will be provided to you with any dental, vision, long-term care or medical coverage issued to you.

## Accessing and Correcting Your Information

---

You may ask us for a copy of the personal information we have about you. Generally, we will provide it as long as it is reasonably retrievable and within our control. You must make your request in writing listing the account or policy numbers with the information you want to access. For legal reasons, we may not show you privileged information relating to a claim or lawsuit, unless required by law.

If you tell us that what we know about you is incorrect, we will review it. If we agree, we will update our records. Otherwise, you may dispute our findings in writing, and we will include your statement whenever we give your disputed information to anyone outside MetLife.

## **Uniformed Services Employment And Reemployment Rights Act**

This section describes the right that you may have to continue coverage for yourself and your covered dependents under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA).

### **Continuation of Group Dental Insurance:**

If you take a leave from employment for “service in the uniformed services,” as that term is defined in USERRA, and as a consequence your dental insurance coverage under your employer’s group dental insurance policy ends, you may elect to continue dental insurance for yourself and your covered dependents, for a limited period of time, as described below.

The law requires that your employer notify you of your rights, benefits and obligations under USERRA including instructions on how to elect to continue insurance, the amount and procedure for payment of premium. If permitted by USERRA, your employer may require that you elect to continue coverage within a period of time specified by your employer.

You may be responsible for payment of the required premium to continue insurance. If your leave from employment for service in the uniformed services lasts less than 31 days, your required premium will be no more than the amount you were required to pay for dental insurance before the leave began; for a leave lasting 31 or more days, you may be required to pay up to 102% of the total dental insurance premium, including any amount that your employer was paying before the leave began.

You and your covered dependents insurance that is continued pursuant to USERRA will end on the earliest of the following:

- the end of 24 consecutive months from the date your leave from employment for service in the uniformed services begins; or
- the day after the date on which you fail to apply for, or return to employment, in accordance with USERRA.

You and your covered dependent may become entitled to continuation of coverage under the Consolidated Omnibus Budget Reconciliation Act (“COBRA”) while you have dental insurance coverage under your employer’s group dental insurance policy pursuant to USERRA. Contact your employer for more information.
