*This plan is also offered at Covered California for Small Business and CaliforniaChoice®.

[†]The abbreviation "ALT," in certain plan names, designates Kaiser Permanente developed plans that are different from the standard plans and are available through Covered California for Small Business.

1. This plan has an embedded deductible and out-of-pocket maximum. Each family member will begin paying copays or coinsurance after meeting his or her individual deductible or out-of-pocket maximum (depending on the benefit), or when the family deductible or out-of-pocket maximum is satisfied. Individual family members aren't subject to cost sharing when they reach their individual out-of-pocket maximum, or when the family out-of-pocket maximum is met. 2. Out-of-pocket maximum is the maximum amount an individual or family will pay for certain services in a year. 3. Preventive lab tests, X-rays, and immunizations are covered as part of the preventive exam. 4. Scheduled prenatal visits and postpartum visits. 5. Fertility benefits may be added to this plan for an additional cost. For more information, contact your broker or Kaiser Permanente representative. 6. Laboratory and diagnostic test, X-rays and MRI/CT/PET scans related to preventive services are no charge. 7. Prescription drugs are covered in accordance with our formulary when prescribed by a Plan physician and obtained at Plan pharmacies. A few drugs have different copays. For information on our formulary, including the drugs on the specialty tier, go to kp.org/formulary or call our Member Service Contact Center. 8. Mail order: Up to a 100-day supply of qualified prescriptions for the cost of a 60-day supply. 9. Both base and supplemental DME are covered. Supplemental DME is limited to a combined maximum benefit of \$2,000 per year for services. Refer to the *Evidence of Coverage* for information on what's included in your DME benefit. 10. Under age 19. One pair of eyeglasses from a limited selection. 11. Kaiser Permanente members are entitled to a discount on eyeglasses and contact lenses purchased at Kaiser Permanente optical centers. These discounts can't be combined with any other Health Plan vision benefit. The discounts won't apply to any sale, promotion, or packaged eyewear program; for any contact lense extended purchase agreement; or to low-vision

This is a summary of benefits only and is subject to change. The KFHP <u>Evidence of Coverage</u> and the KPIC <u>Certificate of Insurance</u> contain a complete explanation of benefits, exclusions, and limitations. The information provided isn't intended to describe all the benefits included in each plan, nor is it designed to serve as the <u>Evidence of Coverage</u> or <u>Certificate of Insurance</u>.
